U3A : NEW SHORT COURSE: THE ART OF BONSAI.

CO-ORDINATOR: JEFF GATES

IF YOU ARE INTERESTED IN GROWING BONSAI THIS IS FOR YOU!

There will be 2 sessions held at the beginning of term 1. Sorry for the short notice. These sessions will run for 2 hours. Jeff will conduct the lessons giving instruction and demonstrating the various processes, ie. hands on with plants and blackboard diagrams.

Session 1: Thursday, February 12. 2015 Room 2

Time: 10.30 - 12.30

Six ways of getting started in the Art of Bonsai. Jeff will discuss the process of growing bonsai from seed, seedlings, cuttings, grafts, nursery stock or just buying a good one.

Session 2: Thursday, February 19. 2015 Room 2

Time: 10.30 - 12.30

How to care for bonsai! Choosing a style and size, growing in a box, pot, tray, on a rock, types of soil mix, watering, feeding, wiring and pruning.

Session 3: A date will be decided between Jeff and the class members. An actual 'hands on, make a mess' session will be organised during late winter to early spring after instruction to members on what they need to bring to class. A selection of pots, rocks etc. as well as some bonsai will be available. Any costs for supplies etc. and a suitable date would be discussed during the earlier sessions.

If interested please enrol at the Albury Wodonga Community College office or if you require more information contact the U3A office for more details. U3A office is manned from 9-10.30 from Monday to Friday.

Thank you
